GRADING

I. Exams – 300 points

Three exams will be given at the end of each unit as scheduled. All exams can be accessed in the respective unit folder on the course page. Each exam will be accessible at the dates specified on the course schedule, please see the course schedule for these dates.

Test 1 (chapters 1-3) – 100 points

Test 2 (chapters 5, 7, 11) – 100 points

Test 3 (chapters 12, 13, 15) – 100 points

Everything mentioned in “lecture”, online discussion or outside activities is “fair game” in the exam, thus is important to keep up with the required readings to prepare for the exams.

They will cover the preceding chapters, (this may include videos). Tests will not be cumulative. You will have two hours (120 minutes) to complete each unit’s tests.

Since the tests are “open book,” the questions will be applied, so it is imperative that the concepts are studied and mastered prior to taking the tests.

****Tests cannot be made-up under any circumstances. If you cannot take an exam as it is scheduled please make arrangements with the instructor BEFORE the Unit end date.**

II. Unit Application Paper – 300 points

Students are responsible to submit a total of three (3) 1-2 page (not including the title page) papers in which they identify their opinion based on the topic provided by the instructor. The paper needs to include at least 3 references to the text using pertinent information that helps to support your opinion and show how you can apply the information. References should be done in the form of an in-text citation (Nevid, p. ____). The paper is due by the dates indicated on the course schedule.

****Late papers will not be accepted.**

Each paper is worth a potential one hundred (100) points. In order to be eligible for full points the paper MUST meet the following criteria:

- Include a cover page (your name, date, course/section #)
- Be a minimum of one (1) full typed page
- Use standard formatting (12 point font, double-spaced, standard margins, etc...)
- Include at least three references back to the text (Ciccarelli, p. ____).
- Clearly states the main idea, summarizes the information, if the student agrees/disagrees with information presented and provides a clear explanation of their opinion.
- Final paper must be free of spelling and grammatical errors (please use spell check before submitting)

***Final Grade – 600 points**

Final grades are based on a percentage of total points earned:

90-100%	=	A
80-89%	=	B
70-79%	=	C
60-69%	=	D
< 59%	=	F

*The instructor reserves the right to modify this grading scale, but students receiving raw scores in this scale will receive at least the minimum grade for which they are eligible.
