The ability to communicate quickly and effectively in any situation is essential in providing the best possible opportunity to ensure the safety of Iowa Western Community College students.

WENS (Wireless Emergency Notification System) is a service purchased by the College and provided free of charge to students. Reiver Alert (WENS) is to be used principally for events that are deemed to be true emergency situations but will also provide information about weather-related class cancellations or closings.

To sign up to receive a cell phone text message and / or an email message, please visit ROC at [https://roc.iwcc.edu](https://roc.iwcc.edu). Reiver Alert can be found under the Technology tab on ROC.
ROC is the “one stop shop” for students to access courses, email, campus events, IWCC News, and other academic features. The ROC portal is new at IWCC and will continue to be enhanced with useful resources.

ROC is the default Internet homepage on all IWCC desktops, notebooks, and netbook computers. ROC enables Single Sign-On functionality to other student systems at IWCC. When accessing ROC from a personal device, you will need to navigate to roc.iwcc.edu and provide your network username and password.

The ROC homepage layout is comprised of three columns of information. The following highlight some important features for each section.

- **iwcc.edu email** - Use the message indicator link to view and create email messages.
- **Calendar** – Automatically displays your class times for any registered courses you are taking. You can also add events to this calendar through your email interface.
- **IWCC News** – Provides general information on a variety of college topics.
- **Special Announcements** – Contains time-sensitive and critical college related information.
- **My ROC Classes** – Your classes will be listed in this section. Provides access to syllabi, daily grades, contact your instructor, and other resources designated to help students succeed in their classes.
- **Campus Events** – A comprehensive list of events on campus, such as student activities, music and theatre events, athletics, college visits, service learning, and more.
- **Student Self Services (SOS)** – Enables access to your student records, including Advisor Information, Class Schedule, Financial Aid/Billing, Program Evaluation, Final Grades, and Unofficial Transcripts. Online services such as Register for Classes, Apply for Financial Aid, Email My Advisor, and Make a Payment are provided.
- **Quick Links** – Links to resources that you may find useful while attending IWCC.

REGISTRATION & STUDENT RECORDS

REGISTRATION PROCESS
New students and returning students (students who have experienced a break in enrollment) are required to register for classes with the assistance of an Admissions Advisor or Enrollment Advisor. Most continuing students (students who have not experienced a break in enrollment) can register for classes online through the Student Self Services feature in ROC; assistance is available and encouraged, through an assigned academic advisor. Class attendance is not permitted until the registration process has been completed. Registration dates, as well as policies regarding dropping, adding, and officially withdrawing, are available online and at the Records and Registration Office.

ONLINE REGISTRATION

What is Priority Online Registration?
A Priority Online Registration time is a randomly assigned time that allows current students access to register for classes online through the Student Self Services feature in ROC before registration is opened for all students. Your Priority Online Registration date and time are posted in ROC each semester.

What is a Preferred Sections List?
Several weeks before Priority Online Registration begins, you can go online and build a Preferred Sections list of classes that you are interested in taking. These are classes that you select through Search and Register for Sections in Student Self Services. Once a class has been added to the Preferred Sections list, it will remain on your list until you remove it or register for it.

How do I register for my Preferred Sections?
To register for classes on your Preferred Sections list once your Priority Registration time has arrived, you need to go to Register for Sections and then register for Previously Selected Sections. You will then need to either select an action next to each class or select Register for all Classes from the drop-down menu at the top of the page.

When does Online Registration end?
You can register online through the first week of the term, but we encourage you to do so as soon as your Priority Registration time begins so you get the classes you want at the times you want them.

Can I add and drop classes online?
You can add regular-term classes through the first week of the term. You can drop regular-term classes online through the last day to drop.

What is a Waitlist?
A waitlist is a list of students that would like to register for a class that is already full. You can be added to a waitlist by an Admissions Advisor or Enrollment Advisor, or you can add yourself to a waitlist by adding the class to your Preferred Sections and then selecting Waitlist for the action.

How do I move from the Waitlist?
When, or if, a space becomes available in your waitlisted class, you will receive email notification, which will be sent to your Iowa Western email account. You will then need to go to Manage My Waitlist in Student Self Services and register for the class within the specified timeframe that is listed in the email. If you fail to register within the specified timeframe, the seat will be offered to the next student on the list.

How do I get my Online Registration Questions Answered?
Please contact the Records and Registration Office with any questions you have about the online registration process or visit their website for more information. They can be reached by phone at 712.325.3277 or by email at Registrar@iwcc.edu.
GRADES

OFFICIAL GRADES
Although students can view assignment and daily grades through the My ROC Classes feature in ROC, they may access their official grades only through Student Self Services feature. Official grades are posted within a week of the course end date.

ACADEMIC TRANSCRIPTS
Academic transcripts, which are the official record of the grades you earn each semester, are provided at no charge and may be ordered through the Records and Registration Office by submitting a Transcript Request Form in one of three ways: in person, by mail, or by fax. Keep in mind that no transcript will be issued until all financial and other obligations to the College have been met.

PAYING FOR YOUR EDUCATION

Payment arrangements that cover the entire balance of your account, including tuition, fees, campus housing, and meal plans, must be made each semester by the payment deadline. Payment arrangements can be made by completing the Financial Aid application and award acceptance process, by setting up the e-Cashier automatic payment plan, or through a combination of these two options. In addition, payment in full can be made through one of the following options: online through e-Cashier, over the phone with a debit card or credit card, through the mail with a check, or by going to the Cashier’s window and paying with cash, check, debit card, or credit card. The College reserves the right to administratively withdraw students who fail to make payment arrangements by the payment deadline.

PAYMENT CHECKLIST

Apply for Financial Aid
The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.ed.gov and must be completed each year in order to determine your eligibility for grants (money you don’t need to pay back) and loans (money you borrow). You will need to know Iowa Western’s school code, which is 004598. Once you are enrolled, at the end of each calendar year, the Department of Education will send you a Renewal Reminder email reminding you to re-apply for financial aid. To remain eligible, you must also maintain satisfactory academic progress.

Apply for Scholarships
Many scholarship opportunities, including awards based on achievement and/or financial need, are available for new and continuing students. In fact, Iowa Western awards scholarships totaling over one million dollars each year, and when you consider how low tuition is to begin with as well as the fact that the money is going to a fairly small pool of only about 7,000 students, that figure becomes even more staggering. The Iowa Western Foundation scholarship application is available online.

GETTING MONEY BACK

REFUND OF TUITION AND FEES

Students who officially withdraw from college or drop classes before the first calendar week of a regular term will be refunded all tuition and fees, including first-time enrollment, college services, program, and course fees. Students who withdraw from college or drop classes during the first week of a regular term will be refunded all tuition and fees except the first-time enrollment fee. Students who withdraw from college or drop classes during the second week of a regular term will be refunded fifty percent of tuition as well as fifty percent of program and course fees; neither college services fees nor the first-time enrollment fee will be refunded. If a student adds a class in place of the one that is dropped, no fees will be refunded on the dropped class. Students who withdraw from or drop classes after the second week of a regular term will not be refunded any tuition or fees. For more information about the financial impact of adding, dropping, or officially withdrawing, please contact an Enrollment Advisor at Advising@iwcc.edu or 712.325.3277.

REIVER CARD

Iowa Western partners with a company called Higher One to offer students a college refund card with two choices for financial aid and tuition refund delivery: an Easy Refund to a OneAccount or a direct deposit to any bank account. All Iowa Western students, except high school students, who are enrolled in 6 or more credits will receive a Reiver Card in their first semester of enrollment. The Reiver Card is not a credit card; it is the key for choosing a refund preference. The card isn’t active when students receive it. They must visit www.ReiverCard.com to activate the Reiver Card and select a refund preference. If the student chooses to open a OneAccount, the Reiver Card will serve as his or her debit card. If the student chooses not to open a OneAccount, the Reiver card will not serve as his or her debit card; however, it is important that the student retain the card for the duration of his or her enrollment at the College. A fee will assessed for all replacement cards. For more information about the Reiver Card, please contact the Business Office at ReiverCard@iwcc.edu or 712.325.3213.

ACADEMICS

ADVISING

Academic Advising

Upon registering for their first semester, all students are assigned an academic advisor in their program of study. Student advisees are ultimately responsible for all aspects of their education, including course selection and awareness of their current academic status; however, advisors can provide guidance and assistance regarding program and graduation requirements. In addition, students should feel that they can freely discuss personal interests, values, and goals with their advisor and should seek their advisor's assistance in developing academics, social, and career goals. Students should always consult with their advisor before making an important academic decision, such as changing a program of study, adding or dropping courses, or withdrawing from school. Advisor assignments and advisor contact information are accessible in the Student Self Services feature in ROC.

Career Planning

Iowa Western offers students a variety of services and resources that are designed to help them gather information, which in turn enables them to make informed decisions regarding major and ultimately career selection. These resources also provide an opportunity for students to make a connection between a program of study, or major, and the related job possibilities. A student’s assigned advisor will serve as an important resource when it comes to questions about careers but students are also encouraged to take it upon themselves to research opportunities through online resources such as the Iowa Western Career Planning web pages and Iowa Choices Planner, both of which are accessible through the college website. For more information, please contact Academic Advising at (712) 325-3277.
Transfer Planning
Iowa Western Community College offers valuable resources and assistance to students who intend to transfer. These resources include a transfer website, trained faculty advisors, one-on-one and group visits from institutions, transfer fairs, and articulation (transfer) agreements. Students who intend to transfer should begin the planning process early in their academic careers to help make informed decisions regarding their major and the institution to which they ultimately plan to transfer. For more information, please contact Academic Advising at (712) 325-3277.

The Role of the Student Advisee at Iowa Western Community College
Upon registering for their first semester, all students are assigned an academic advisor in their program of study. Student advisees are ultimately responsible for all aspects of their education, including course selection and awareness of their current academic status. Students should feel that they can freely discuss personal interests, values, and goals with their advisor and should seek their advisor's assistance in developing academic, social, and career goals. Students should ask their advisor how to use available campus resources to gather any relevant decision-making information. They should be knowledgeable about academic standards, policies, and procedures, as well as be familiar with courses needed for their program and graduation requirements. Students should always consult with their advisor before making any important academic decision, such as changing a program of study, adding or dropping courses, or withdrawing from school.

Student Responsibilities:
Advisors can help you understand fully all of your options and avoid needless mistakes, but only if you take the initiative to seek their advice. Your responsibilities in the advising relationship are:

1. To recognize that advising is a shared responsibility but also realize that you as the student are ultimately responsible for making decisions regarding academic, career, and personal goals.
2. To take the initiative to contact your advisor. You are responsible for preparing and keeping appointments with your advisor. Be mindful of the need to work with advisors during posted office hours or take the initiative to make other arrangements when necessary.
3. To prepare a list of questions or concerns before each meeting with your advisor. Have a tentative written schedule prepared if you are registering.
4. To gather all relevant decision-making information.
5. To seek sources of information that will assist you in making academic/career decisions.
6. To develop plans for achieving academic, career, and personal goals.
7. To ask questions! If you don't understand a policy or a procedure, ask questions until you do understand. Be knowledgeable about policies, procedures, and requirements.
8. To be familiar with the requirements of the degree, diploma, or certificate you are pursuing, and to schedule courses each semester in accordance with those requirements.
9. To be aware of the prerequisites for each course that you include in your semester schedule and to discuss with your advisor how prerequisites will affect the sequencing of your courses.
10. To follow IWCC procedures for registering for courses and for making adjustments to your class schedule.
11. To observe academic deadlines. Don’t miss deadlines. Know when to register and when to drop or add classes. Set up appointments with your advisor well in advance of these deadlines.
12. To keep your advisor informed about changes in your academic progress, course selection, and academic/career goals.
13. To keep a personal record of your progress towards your degree, diploma, or certificate.
14. To participate fully in the courses for which you are registered by completing assignments on time and attending class.
15. To notify IWCC if your address or phone changes and to read your mail from IWCC, including e-mail.
16. To be familiar with graduation requirements and other institutional policies and procedures outlined in the General Catalog.
17. To utilize the full range of campus resources.

The Role of the Academic Advisor at Iowa Western Community College
The relationship between advisor and advisee is one of shared responsibility. Though you as a student are ultimately responsible for the choices you make in college, IWCC realizes that in order to make informed decisions, students need the mentoring and advice of academic advisors and others in the school community. Your academic advisor is your primary resource regarding academic issues, opportunities, and programs.

Additionally, advisors help students in academic difficulty recognize possible causes of their difficulties and suggest alternative courses of action. Academic advisors also encourage students to become involved in campus organizations and assist students during the course selection and registration process.
Advisor Responsibilities
1. To refer you to the other appropriate campus resources.
2. To offer advice on selecting courses and to assist you in developing an academic plan that satisfies graduation requirements.
3. To be a responsive listener and to refer you to appropriate support services within the college when needed.
4. To discuss with you your academic performance and the implications of your performance.
5. To help you to explore your interests, abilities, and goals and to relate them to academic majors.
6. To assist you in achieving academic, career, and personal goal-setting.
7. To review your career plans and answer questions you may have about career and job opportunities.
8. To answer questions you may have about transferring to another institution after graduating from IWCC and to assist you in the transfer process.
9. To be familiar with graduation requirements and other institutional policies and procedures outlined in the General Catalog.

COURSE SYLLABUS
The course syllabus is an important tool for communication and interaction between the faculty and students. It serves as a source of information and a course road map for students, and it relays expectations and intentions regarding the course. The syllabus includes the course content, structure, materials and strategies that the instructor plans to use to promote learning. It answers several questions for the students:

- What is the rationale for the course?
- When and where does the class meet?
- What should the student be able to learn and do as a result of completing this course?
- How will the student’s learning be assessed?

The syllabus serves the role as an agreement or contract between the instructor and student by outlining the scope and sequence of the course and expectations for the students in order to successfully complete the course. Within the parameters of this role, the syllabus provides multiple functions for students.

These include:
- Establishing a point of contact between the student and instructor
- Helping set the tone for the course
- Outlining the course logistics
- Defining student responsibility for course work
- Describing levels of learning from passive (memorization and recall) to active (problem-solving and critical thinking)
- Helping students assess his/her readiness for the course
- Describing available learning resources
- Communicating the role of technology in the course
- Identifying course assignments, deadlines, test dates, and homework, etc.

ATTENDANCE
Attendance will be taken and recorded at every class meeting. Instructors are responsible for developing and implementing their own system and forms for recording class attendance which may be checked and verified by sources from both on and off campus. These include, but are not limited to, IWCC Student Services Personnel, the Veterans Administration, federal, state, county and private human services agencies, and scholarship granting organizations. This policy is subject to the limitations of The Family Educational Rights and Privacy Act. IWCC faculty members endorse the research that there is a strong correlation between student learning and student attendance and participation in class.

FINAL EXAMINATIONS
All courses offered within academic programs of study at Iowa Western Community College shall meet certain criteria as stated in Chapter 21 of the Iowa Legislative Code. These criteria are minimal requirements that establish standards for instructional practices.

In conjunction with these requirements, instructional methodology (classroom work, laboratory work, clinical practice or work experience) and credit hour determinations have been outlined. Each type of instructional methodology shall include culminating activities as applicable. These activities shall be above and beyond the minimal instructional requirements for the course. Such activities are planned by the instructor as appropriate to the methodology and course objectives and may include:

- Written final examinations
- Oral final examinations
- Skill performance examinations
- Other structured activities supplemental to the instructional process

The final exam weeks planned during the academic terms at Iowa Western Community College allow instructors to schedule and conduct appropriate activities within the parameters of their courses.

Final exam information should be included in the syllabus provided on the first day of class. For further assistance with any questions or concerns, please contact the instructor.

ACADEMIC STANDARDS
It is the policy of Iowa Western Community College to promote satisfactory academic progress for each individual student. To encourage each student to strive for the highest academic achievement of which he/she is capable, the following policy has been adopted:

A student who has attempted six or more semester hours of academic credit is required to maintain a cumulative minimum grade point average of 2.0. Student who fail to maintain this average will not be in “Good Academic Standing” at IWCC for the following semester or term. If the grade point is not at least 2.0 at the conclusion of the following semester or term, the student may be placed on academic suspension. A student demonstrating satisfactory academic progress (at least 2.0 for an academic semester) may avoid suspension even though he/she is not in “Good Academic Standing” until the cumulative GPA reaches 2.0.
A student who is academically suspended from the College may not reenroll in Iowa Western Community College for another term unless he/she has written permission from the Vice President of Academic Affairs.

This policy applies to all academic programs with the exception of Associate Degree Nursing, Practical Nursing, Dental Assistant, and Dental Hygiene that require a minimum 2.0 GPA per semester. This policy is independent of Financial Aid Satisfactory Academic Progress Criteria.

**What’s a Reiver?**
The Reiver is a Pirate – not just any Pirate but a River Pirate. Four counties that are part of Iowa Western Community College district border the Missouri River which is rich in tradition involving the exploration and settling of North America. During the late 1800’s, bands of “River Pirates” robbed steamships and boats that carried goods up the Missouri River to settlements in the North and West. These thieves were eventually given the name "Reivers". During the academic year 1972-73 the college was searching for a mascot and the student body
was responsible for submitting suggestions for possible names. The Student Senate Treasurer, Robert Batt, suggested that the mascot should be a Reiver. Gerald Stommes was serving as the Student Activities Coordinator at the time and thought the name was great, so the push to vote for the name Reivers was on; the student body then voted and the mascot Reivers was adopted. The Reiver logo over time has seen many different versions. The student body also voted on the schools colors to be Ice Blue and Silver; a transformation occurred during the 1980’s to our current school colors of Royal Blue and White.

There is also wireless access at the Clarinda Center, Harlan Center, Atlantic Center, and the Shenandoah Center. In order to use the wireless network, students will be asked to proved their network login and password, which will register their device on the wireless network.

**USERNAME AND PASSWORD**

All major systems listed use the same Username/Password combination.

**User name** = First letter of first name + last name = last 3 digits of Student ID number. Example: jdoe117

**Initial Temporary Password** = IWCC + last 6 digits of social security number. Example: Iwcc123456 – note the capital I. *If you did not provide a social security number to the college, your initial password is Iwcc + 7-digit student ID number.*

Accounts are typically created within 24 business hours of student registration. Accounts need to be activated by setting up a new password prior to using these systems. This can be done by logging into a campus computer where you will be prompted to set a new password, or if off campus visit ROC to change and activate your password.

PRINTING
In an effort to be green and lessen the environmental impact, the college has implemented a student print management system. Every registered student will be given 200 prints per semester for printing at the Cyber Library. A single page of print is considered one page and a duplex printed page is considered one and a half pages. Color printing is available and is counted as three pages for every color page printed and five pages for color duplex printing. If you have less than 50 prints remaining on your account, you can add 100 more at the IT Help Desk in Fremont 130. In order to print at the Cyber Library, you will need to have your IWCC Student ID card with you as this card is used to release the print job to the printer. If you currently don’t have an IWCC ID card, you can get one at the ITC Help Desk.

EMAIL ACCOUNTS
Current students are provided an email account for their use while enrolled at IWCC. This email account will be the avenue the college will use to send any college-related electronic communication. It is your responsibility to check this account as often as needed.

When on campus or using a college provided desktop, notebook, or netbook computer, your browser will automatically be directed to ROC upon successful login to the IWCC network. You will see your email activity within ROC. You can access your email by clicking on the message icon on the top portion of ROC.

When off campus, or using a personal device, you can gain access to our email via the ROC icon found towards the bottom portion of the college home page www.iwcc.edu. You can also gain access by going directly to ROC roc.iwcc.edu or by visiting outlook.com. You will need to provide your network username and password for the two sites listed above when accessing them from off campus or from a personal device. It may be helpful to bookmark or create desktop shortcuts to these sites on your personal devices. Your email address for sending or receiving email is your network username followed by @iwcc.edu (example - jdoe117@iwcc.edu).

The college uses an email service provided by Microsoft. Along with email, each student will also have access to online web versions of Word, Excel, PowerPoint, and One Note at no cost. You will also have access to a service known as SkyDrive to store, retrieve, and share documents and photos that you can access from anywhere with an Internet connection. You can access these resources from ROC or by going to skydrive.com.
ITC ASSISTANCE
Your first contact for assistance should be your instructor or Cyber Library assistant. If they cannot assist you, call the Help Desk at (712) 325-3220 or extension 3220 from an on-campus telephone. Normal hours are Monday – Thursday 7:30am – 11:00pm, Friday 7:30am – 6:00pm, and Saturday 9:00am – noon. During the summer terms the Help Desk closes at 6:00pm. CAMPUS SAFETY & SECURITY

CAMPUS SECURITY AND LAW ENFORCEMENT
The Council Bluffs campus of Iowa Western Community College contracts campus security with a private security firm and provides staff 24 hours a day, 7 days a week. Campus Security officers do not carry weapons or have arrest authority. IWCC security officers have the authority to ask for identification and to determine whether individuals have lawful business at IWCC. Security officers have the authority to issue traffic and parking tickets, which are billed to financial accounts of students, faculty, and staff. Campus Security can be reached at 402-659-4939 and is text message enabled.

Off-duty Council Bluffs Police Officers are hired to work evening and early morning hours in Residence Life and are contracted for other special campus events and activities. Council Bluffs Police Officers are in uniform, have jurisdiction on campus, carry weapons, and have arrest authority. IWCC maintains a highly professional working relationship with the Council Bluffs Police Department, Pottawattamie County Sheriffs Office, and all other local, state, and federal law enforcement agencies. All crime victims and witnesses are strongly encouraged to immediately report the crime to the appropriate Police agency.

MONITORING AND RECORDING ACTIVITY AT OFF-CAMPUS LOCATIONS
All IWCC recognized activities that are off-campus will be monitored by college staff. A close working relationship exists with all local law enforcement agencies, which are responsive to any incident and share the information with IWCC. IWCC includes the off-campus student activities in its annual report as part of the crime statistics.

GENERAL PROCEDURES FOR REPORTING A CRIME OR EMERGENCY
All students and staff should report any incidence of crime to IWCC Safety and Security staff, as well as your appropriate on campus housing personnel. COMMUNITY ASSISTANCE
Several counties in Iowa are part of the Nebraska and Iowa 2-1-1 system. Any student living on campus as well as students in Pottawattamie, Harrison, Mills, Shelby, Cass, Montgomery, Fremont or Page counties can dial 2-1-1 and access a resource and referral specialist that can assist them in getting the help appropriate to their crisis or personal situation. 2-1-1 is in operation 24 hours a day, every day of the year. The system also provides translation service for those whose first language is not English. All calls are strictly confidential and can help in the case of any crisis situation in which you feel you need help or advice. 2-1-1 is also available online at the following web site: http://www3.irissoft.com/uwnil/
ULifeline – http://www.ULifeline.org/schools/iwcc
Offers students a mental health screening tool, information about mental health issues geared toward you, and resources for learning more and getting help.

CountyConnection.org – http://www.countyconnection.org
Provides current, online information about human service and health resources available to the residents of Pottawattamie County.

TIMELY WARNINGS
In the event that a situation arises that, in the judgment of campus administrators, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the college e-mail and online system to students, faculty, and staff. Depending on the particular circumstances of the crime and especially in situations that could pose an immediate threat to the community or individuals, a notice may be sent via the college “Reiver Alert” system, placed on the campus-wide television monitor system, and notices may be posted in each housing facility.

CAMPUS EMERGENCIES
In the case of an emergency requiring rescue response, please call 911. All campus emergencies should also be reported to Campus Security by calling (402) 659-4939 or 8000 from any campus phone. The Campus Security cell phone (402) 659-4939 does have text messaging capability for students who need this feature to report a crime or emergency. Reporting an emergency to campus security will ensure that emergency responders will be directed to the correct location when they arrive on campus. 

Emergencies that occur in Residence Life should also be reported to Residence Life staff by contacting the appropriate facility front desk:
- Reiver Suites I front desk: (712) 388-7696
- Reiver Suites II and Reiver Village front desk: (712) 388-7695
- Reiver Tower front desk: (712) 325-3444

Students will be notified of emergencies like tornados or fire by campus-wide alarm sirens. Other emergencies affecting students may be communicated through campus television monitors or bulletin board postings, or through communication from faculty, staff, or Residence Life personnel.

EVACUATION PROCEDURES FOR STUDENTS WITH DISABILITIES
In case of emergency situations we encourage students who might need assistance to identify and discuss, in advance, a plan of action with someone who might assist them in leaving the building and/or who will inform emergency personnel/campus security of their presence and where they are located so that further assistance can be provided.

All students with physical mobility limitations should prepare for an emergency ahead of time by instructing faculty and classmates on how to assist in an emergency. Instructors who have students in their classes who might have problems leaving the building during emergencies should discuss procedures ahead of time.

Hearing or visually impaired persons working alone in isolated areas such as study rooms and labs should notify nearby building staff of their location. For more information, email disabilityservices@iwcc.edu or call (712) 325-3299.

ACCESS TO CAMPUS FACILITIES
Access to campus buildings is limited to normal business hours. The Reiver Tower and Reiver Suites are locked 24 hours a day. Students who live in the Reiver Tower or Reiver Suites have an access card to gain entrance to the building 24 hours a day. All visitors and guests to student housing facilities must sign in at the front desk, must leave a valid picture ID, and must be with a resident or be met by a resident to gain entrance.

SECURITY CAMERAS
All IWCC students are hereby advised that the College utilizes security cameras to provide safety and security to students, staff, and visitors. The College has placed cameras at selected entryways and in parking areas to monitor pedestrian and motor vehicle activity. Cameras are also placed throughout and around all Residence Life housing facilities.

REGISTERED SEX OFFENDER INFORMATION
Any student who wishes to know the names of enrolled students who may be on the Iowa Sex Offender’s Registry should contact the county sheriff or refer to the Iowa Sex Offender Registry website at www.iowasexoffender.com. The site does not provide a list of people on the Registry but does allow searches by name or address. Pursuant to Iowa Code 692A, sex offenders are prohibited from living within two thousand feet of a child care facility. IWCC operates a child care center of campus. Individuals who pose danger to themselves and/or other residents may not eligible to live in on-campus housing. Registered Sex Offenders represent a clear and present danger and are not eligible for on-campus housing.
SEXUAL MISCONDUCT POLICIES AND PROCEDURES

Iowa Western Community College is committed to having a positive learning and working environment for its students and employees and will not tolerate sexual harassment or sexual violence. It is the policy of Iowa Western Community College to comply with Iowa Code Chapters 708 and 709 of the Title XVI Criminal Laws and Procedures.

IWCC conducts a number of programs aimed at preventing sexual offenses and making the community aware of the potential of such crimes. These programs include providing nightly security patrols of the campus, providing security escorts, inspecting the campus for potentially dangerous areas, and inspecting campus lighting and shrubbery. In addition, educational programs concerning sexual assault awareness are provided.

SEXUAL MISCONDUCT

Sexual misconduct is a broad term encompassing any non-consensual behavior of a sexual nature that is committed by force or intimidation, or that is otherwise unwelcome. The term includes sexual assault, sexual exploitation, sexual intimidation, and sexual harassment as those behaviors are described later in this section.

Sexual intimacy requires that all participants consent to the activity. Consent between two or more people is defined as an affirmative agreement--through clear actions or words--to engage in sexual activity. The person giving the consent must act freely, voluntarily, and with an understanding of his or her actions when giving the consent. Lack of protest or resistance does not constitute consent, nor does silence mean consent has been given. Relying solely on non-verbal communication can lead to misunderstanding. Persons who want to engage in the sexual activity are responsible for obtaining consent--it should never be assumed. A prior relationship or prior sexual activity is not sufficient to demonstrate consent.

In addition, under Iowa law the following people are unable to give consent:

- Persons who are asleep or unconscious
- Persons who are impaired due to the influence of drugs, alcohol, or medication
- Persons who are unable to communicate consent due to a mental or physical condition
- Generally, minors under the age of 16.

Sexual misconduct may vary in its severity and consists of a range of behavior or attempted behavior. It can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Sexual misconduct can occur between members of the same or opposite sex and can also occur while individuals are fully clothed. Sexual misconduct includes, but is not limited to, the following examples of prohibited conduct:

A. Sexual Assault

Sexual assault is an extreme form of sexual misconduct and represents a continuum of conduct from forcible rape to nonphysical forms of pressure that compel individuals to engage in sexual activity against their will. In Iowa, the terms "rape" and "sexual assault" fall under the legal definition of "sexual abuse," which includes any sex act done by force or against the will of another. Examples of sexual assault under this policy include, but are not limited to, the following behaviors when consent is not present:

- Sexual intercourse
- Oral sex
- Rape or attempted rape
- Penetration of an orifice with any object
- Unwanted touching of the genitals, buttocks, breast, or other body part
- Coercion or force to make someone else touch one's genitals, buttocks, breast, or other body part
- Inducing consent through drugs or alcohol
- Engaging in sexual activity with a person who is unable to provide consent due to the influence of drugs, alcohol, or other condition

B. Sexual Exploitation

Sexual exploitation involves taking non-consensual sexual advantage of another person. Examples can include, but are not limited to the following behaviors:
Electronic recording, photographing, or transmitting intimate or sexual utterances, sounds, or images without knowledge and consent of all parties
Voyeurism (sexual interest in spying on others)
Distributing intimate or sexual information about another person without consent

C. Sexual Intimidation
Sexual intimidation involves threatening another person that you will commit a sex act against them, stalking, cyber-stalking, or engaging in indecent exposure.

D. Sexual Harassment
Sexual harassment is a form of discrimination, as defined in the college Discrimination and Harassment policy. Sexual harassment can include unwelcome behavior (verbal, written, physical) that is directed at someone because of that person’s sex or gender, and that meets either of the following criteria:

- Submission or consent to the behavior is believed to carry consequences for the student’s education or employment.
  Examples can include, but are not limited to, pressure to engage in sexual behavior to further the student’s education or employment; real or perceived threat that rejecting the behavior would carry a negative consequence for the student.
- The behavior has the purpose or effect of substantially interfering with the student’s education or employment by creating an intimidating, hostile, or demeaning environment.
  Examples can include, but are not limited to, persistent efforts to develop a sexual relationship; unwelcome commentary about an individual’s body or sexual activities; unwanted sexual attention; repeated and unwelcome sexually-oriented teasing, joking or flirting; verbal abuse of a sexual nature. Comments or communications could be verbal, written or electronic.

Determination as to whether the alleged conduct constitutes sexual harassment should take into consideration all of the circumstances, including the context in which the alleged incidents occurred.

How to Report Sexual Misconduct:
IWCC encourages students to report all incidents of sexual misconduct to the police. A guiding principal in the reporting of sexual offenses is to avoid re-victimizing the sexual assault survivor by forcing the person into any plan of action. Survivors of sexual offenses may contact any one of several IWCC departments or community services for assistance. The following resources provide immediate aid or on-going consultation for survivors of sexual assault:

**REPORTING NUMBERS:**

- Council Bluffs Police Department: 911

Privacy and Confidentiality
As stated above, the College encourages the reporting of all incidents of sexual assault. To the extent possible, the College will protect the privacy of all parties to a complaint of sexual misconduct. Under federal law, if a student makes a formal report about a sexual assault to a College official (e.g., officials within Student Services, deans, campus security personnel, and certain other administrators with supervisory responsibilities), the College has an obligation to investigate the complaint.

If the College receives a formal report, it will be treated in a confidential manner. At the same time, information will be shared as necessary in the course of an investigation with people who need to know such as investigators, witnesses, and the accused. When the College, through a report to a College official, becomes aware of an incident of sexual assault that occurred on-campus and there is a potential for bodily harm
or danger to members of the campus community, College administrators must issue a timely warning to the campus. While the College will provide enough information to safeguard the campus community, a student’s name or other personally identifying information will not be disclosed.

**Investigation and Disciplinary Action**

The College disciplinary process will be followed for any report of a sexual offense. In order for IWCC to proceed, a written complaint (whether by the victim or a third party) must be filed with the Dean of Student Life and Student Success or designee. If the complaint is criminal in nature, it will also be forwarded to law enforcement.

The Dean of Student Life and Student Success, or designee, will investigate each reported sexual offense. Victims of sexual offenses should be aware of the need of the College to release information regarding the fact that an assault has occurred for the protection and safety of others. Every attempt is made to maintain the anonymity of the sexual assault survivor. Every attempt will be made not to release names to the media. Unless otherwise requested by the sexual offense survivor, names and address of survivors are released to the Council Bluffs Police Department. If the Dean of Student Life and Student Success, or designee, determines that a threat continues to exist for the community, a timely warning will be issued. Information about the reported sexual offense will be reported to the campus community, including as much detail as possible regarding location, date and time of assault, and any information that may help identify the assailant.

The College will take appropriate action to safeguard the alleged survivor and at the same time, protect the rights of the alleged perpetrator. If the survivor of a sexual offense lives on campus and requests reasonable alternative housing on-campus or a change in class schedule, the college will work with the student to accommodate the request.

There are different standards of proof in the College conduct proceeding than in criminal action. The College uses preponderance of the evidence standard to resolve complaints of sexual misconduct. The College conduct proceeding determines whether the alleged perpetrator’s status as a student will be altered, whereas the criminal process determines if there will be limitations on the alleged perpetrator’s liberty. As there are different standards and the purpose of each proceeding is different, IWCC encourages students who are the victims of sexual offenses to go forward with the College process as well as take legal action through local law enforcement agencies.

Please see the Student Code of Conduct for specific details regarding the College’s disciplinary process and possible sanctions for violations. In cases of sexual offenses, the accuser and the accused shall be informed of the outcome of the College disciplinary proceeding. This information should not be disclosed to the general public.

**Counseling / Student Assistance**

IWCC encourages students who are the victim of a sexual assault to seek medical and counseling services. Victims may contact the Student Outreach Coordinator, located in the Student Center – 2nd floor or call 712-329-4750 for help and for referral to outside agencies that can provide additional counseling and support.

**CLERY ACT COMPLIANCE STATEMENT**

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Iowa Western Community College publishes its Annual Security Report by October 1st of each year. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by IWCC; and on public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault and other matters. You can obtain a copy of this report by contacting the Dean of Student Life and Student Success by accessing the report via the College’s website at [www.iwcc.edu](http://www.iwcc.edu).

**STUDENT RIGHTS & RESPONSIBILITIES**

**DUE PROCESS POLICY**

A grievance may be filed with the Vice President of Student Services, or designee, if there are questions or complaints involving individual rights as a student. For more information contact the Vice President of Student Services, at 712-325-3276.

**DRUG AND ALCOHOL ABUSE EDUCATION PROGRAMS**

The purpose of this policy is to set forth the College’s policy regarding alcohol and other drug use, including unlawful drug use or abuse in the workplace in accordance with the Drug Free Workplace Act of 1988 (Public Law 100-690) and Drug Free Schools and Communities Act Amendments of 1989 (Public Law 101-226). A copy of the Drug Free Workplace information is in the Student Handbook and may be obtained from the Student Life and Student Success Offices. The College encourages and provides reasonable assistance to any student, faculty, or staff member who seeks information on chemical dependence or treatment for chemical dependency. The Student Success Office, Student Center 2nd Floor, can provide information and prevention programs for those seeking help with substance abuse.
DRUG-FREE SCHOOLS AND COMMUNITIES
Amendments to the Drug-Free Schools and Communities Act of 1989 require documentation of services and awareness for drug-free schools and communities. The College has filed a Drug Prevention Program Certification document with the U.S. Department of Education as required by Public Law 101-226. The College will comply with all requirements of this act. For more information, contact the Dean of Student Life and Student Success.

CIVIL RIGHTS ACT
The Iowa Western Community College (Merged Area XIII) filed assurance of compliance with Title VI of the Civil Rights Act of 1964 on September 9, 1966, and accepts all requirements imposed by or pursuant to the regulation. No person in the United States shall, on the ground of race, sex, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity offered by the College.

EQUAL EDUCATIONAL OPPORTUNITY AND NON-HARASSMENT
Iowa Western Community College is committed to a policy of equal educational opportunity. Therefore the College prohibits discrimination on the basis of unlawful criteria such as race, color, religion, national or ethnic origin, ancestry, genetic information, physical or mental disability, age, sex, sexual orientation, gender identity or expression, pregnancy, marital status, veteran status, AIDS/HIV status, citizenship, or medical condition, as those terms are defined under applicable laws, in admitting students to its programs and facilities and in administering its admissions policies, educational policies, scholarship and loan programs, athletic programs, and other institutionally administered programs or programs made available to students. In keeping with this policy of equal educational opportunity, the College is committed to creating and maintaining an atmosphere free from all forms of harassment.

For information, or to register a grievance, contact the Dean of Student Life & Student Success, 2700 College Road, Council Bluffs, IA 51503, 712-325-3207.

TITLE IX–SEX DISCRIMINATION
Iowa Western Community College will not discriminate on the basis of the sex of a person in its education programs or the activities it operates; further, the College will not discriminate on the basis of a person’s sex in regard to its admissions policies or in the employment of personnel. For more information or to file a complaint, contact the Dean of Student Life and Student Success.

AMERICANS WITH DISABILITIES ACT AND THE REHABILITATION ACT
The Americans with Disabilities Act (ADA), Public Law 101-336, was enacted on July 26, 1990, to provide a clear and comprehensive mandate for the elimination of discrimination against individuals with disabilities. This federal legislation requires equal treatment of people with disabilities in employment, public services and transportation, public accommodations, and telecommunication services. Section 504 of the Rehabilitation Act of 1973, with virtually identical purposes, applies to any college or university that receives federal funds in any program.

Iowa Western Community College, a public entity as set forth in Title II of the ADA, is subject to the requirements of the Americans with Disabilities Act. Title II of the ADA prohibits discrimination against qualified individuals with disabilities with regard to the services, programs, and activities at Iowa Western Community College. Iowa Western Community College is also prohibited from discrimination against individuals with disabilities in its employment practices pursuant to Title I of the Americans with Disabilities Act.

For more information, contact the Disability Services Specialist, Student Center 2nd Floor, or call 712-325-3299.

TOBACCO POLICY
Use of all tobacco products is prohibited in all Iowa Western Community facilities, campuses, and centers. This includes all buildings, recreational fields, parking lots (including any vehicles located on the property), and all land deemed IWCC property.

SEARCH AND SEIZURE POLICY FOR STUDENTS AND VISITORS
Students and visitors (including their belongings) may be searched to protect the health and safety of fellow students and visitors, as well as ensuring the safety of the facilities on the campus of Iowa Western Community College.

A search of a student or visitor (the student or visitors’ body and/or personal effects) will be justified when the college has reasonable suspicion that the search will produce evidence that the student or visitor has violated or is violating the law or college policy, rules, or regulations affecting the good order of the college.

Students and visitors are permitted to park on college premises as a matter of privilege, not of right. The college retains authority to conduct routine patrols of the parking lots which may include the use of a detection dog. The interior of a student or visitors automobile on the college’s premises may be searched if a college official has reasonable and articulable suspicion to believe that illegal, unauthorized, or contraband items are contained inside.
CHILDREN IN THE COLLEGE
In order to ensure an environment conducive to learning and to provide maximum safety to people and property, it is the policy of this College to prohibit the inclusion of children in the workplace and in the classroom. Anyone under the age of 16 must have prior written approval from the appropriate Vice President to be permitted to have a child with them while attending classes or to be in a work setting.

PERSONAL ELECTRONIC DEVICES
To provide an environment conducive to learning, Iowa Western Community College requires that cellular phones, pagers, and other personal electronic devices be turned off or set to vibrate when entering classrooms, computer labs, library, offices, auditoriums, or arena areas. Cellular phones with picture taking capabilities are not allowed in bathrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

Faculty members do have the right to prohibit the use of any electronic device in their classroom.

GRIEVANCE PROCESS FOR STUDENTS

Academic Grievance
A grievance is defined as a statement expressing a complaint, resentment, or accusation lodged by a student about an academic circumstance which is thought by the student to be unfair.

This includes the selection and presentation of classroom or laboratory subjects and the determination of grades in all college courses. A grievance shall also not include any matter of a criminal nature or any matter which is subject to the Student Conduct, Discipline and Appeals Procedure.

1. The student should initially try to resolve the grievance within the instructional department, by first talking with the instructor, then the department chair, and finally the Dean.
2. The Dean or the student may wish to consult or seek assistance from an advisor, the Student Body President, or faculty member prior to discussing the grievance with the Vice President of Academic Affairs.
3. If the grievance cannot be resolved within the instructional division the student should talk with the Vice President of Academic Affairs. The Vice President of Academic Affairs, in consultation with the Vice President of Student Services will try to resolve the grievance with assistance from other personnel as needed. The Vice President of Academic Affairs may elect to refer the matter to the Campus Judicial Review Board.
4. The decision of the Vice President of Academic Affairs will be final and ends the grievance process.

Non-Academic Grievance
A non-academic grievance is defined as a statement of complaint expressing a complaint, resentment, or accusation lodged by a student about a non-academic circumstance that is thought by the student to be unfair.

A grievance shall not include selection or non selection of participants on athletic teams, eviction from campus housing, (covered by the Disciplinary Procedures) or parking violations, (covered by the Parking Appeals Process).

1. The student should try to resolve the problem at the point of conflict, with the appropriate person or office.
2. If the problem cannot be resolved at this level, the student should seek information and advice from the Dean of Student Life and Student Success, Dean of Records and Registration, or the Dean of Advising and Academic Success.
3. If the concern is still not resolved the student may seek consultation with the Vice President of Student Services. The Vice President may seek input from other college administrators in resolving the problem. The decision of the Vice President of Student Services is final and ends the grievance process.
