

2026-2027 Aviation Program Toolkit

Students in the Aviation Maintenance programs are required to have a toolkit for lab activities. This document provides a list of the minimum requirements. A Snap-On toolkit may be purchased directly from the IWCC cashier. It is best to purchase it after fall semester starts (by October 1st) as students are required to have their tools by the beginning of the second semester of classes (January) or they may be excluded from these lab classes. If you currently own some tools of professional quality, you can purchase what you need to fill out your set. We do insist that the tool storage, box or cart, not exceed the size listed due to space constraints in the hanger.

- Tool kits will be kept in the program area and must not be removed until the student has completed the program. Program staff and the student will inspect their box and contents when the student leaves the program.
- Toolbox should be no larger than 4,300 cubic inch carrying cap all drawers must be shadowed for tools below.

The cost of the preferred tools is \$4,663.84 for the roller cabinets or \$2,946.01 for the travel boxes. If you have financial aid and expect a refund this semester, you may be able to apply the refund toward the purchase of your tools. Contact your College Success Advisor to see about those arrangements. See your instructor for further details and other options available to you.

Toolkit Minimum Requirements

-----Item-----	Size	-----Item-----	Size
1/4-inch Drive, 12 Point Shallow Universal Sockets	1/4"	1/4-inch Drive Ratchet	Overall length 4 7/16"
	5/16"	3/8 Inch Drive Ratchet	Overall length 10
	3/8"	Universal Joint	1/4" Drive
	7/16"	Universal Joint	3/8" Drive
	1/2"	1/4" Drive Extension	2 inches long
	9/16"	1/4" Drive Extension	4 inches long
1/4-inch Drive, 12 Point Deep Sockets	3/16"	1/4" Drive Extension	6 inches long
	7/32"	3/8" Drive Extension	3 inches long
	1/4"	3/8" Drive Extension	6 inches long
	9/32"	3/8" Drive Extension	11 inches long
	5/16"	Half Round File	10 inches long
	11/32"	Mill File	10 inches long
	3/8"	Adjustable Jaw File Handle	standard 4 1/2" long 1" dia.
	7/16"	File cleaner brush	std. 7 1/2" long
	1/2"		
	9/16"		
-----Item-----	Size	-----Item-----	Size
	3/16"	Long Nose Pliers with cutter	2 1/4" Jaw-- 8" overall length

1/4-inch Drive, 12 Point Shallow Sockets	7/32"	Combination Slip Joint Pliers	6 7/16" long	
	1/4"		Duck Bill Pliers	Overall length 7 3/4"
	9/32"			Diagonal Cutting Pliers
	5/16"		Diagonal Cutting Pliers	
	11/32"			Standard Needle Nose Pliers
	3/8"		Standard Hex Wrench Set "Allen Wrenches" consisting of the following sizes 	
	7/16"			0.035"
	1/2"			0.050"
