

Fraud Statement:

At Iowa Western Community College, we are committed to maintaining the integrity of our admissions and financial aid processes. We actively monitor for fraudulent activity and take immediate action to ensure that financial aid and institutional resources are awarded only to those who meet eligibility requirements.

Applicants found to be engaging in fraudulent activities will face immediate removal from the admissions process. We reserve the right to verify all information provided on admissions and financial aid applications, and we work closely with federal and state authorities to uphold compliance.

While we do not disclose specific methods used to detect fraud, please be aware that any attempts to deceive the institution will not be tolerated.
