

Professional Aeronautics Certification (PAC) Program

Link to the website below, or join us online to learn how you can become a professional pilot locally and affordably with PAC.

- Learn why PAC may be a better choice than a college degree
- Discover workforce needs and why aviation is booming
- Explore exciting jobs with unparalleled salaries and benefits
- Ask questions and get expert advice on your specific goals

Two webinar times are available as well as private consults:

- Tuesday, November 4th @ 6-7pm CT
- Wednesday, November 5th @ 6-7p CT
