## Practice Tests

On the TEAS preparation page, you can access practice tests for English, reading, math, and science. You will also find microlessons and games to can help you review content and study.

When you choose the test you want to take, click on Start Test. Next you will have the option to choose a test mode, depending on how you want to practice/study: Simulation, Practice or Learner.

### About This Test

This practice is modeled on the content, format, and timing of the Science content area of the ATI Test of Essential Academic Skills Version 7 (ATI TEAS®) and measures your knowledge of:

- Human anatomy and physiology
- Biology
- Chemistry
- Scientific reasoning

When you complete this practice exam, you will receive a report that displays your overall score as a percentage, as well as your performance in the individual topics assessed on the official test. Use these scores to help focus your preparation for test day. Good luck!
