ADDING A CLASS

Students may add a class to their schedule prior to the start of Winterim. Regular tuition and fees will be charged for all added classes.

DROPPING A CLASS

Students may drop a class from their schedule any time up to the posted last day to drop for the term in which the class is scheduled. Students who drop a class before the term begins will display no activity for that class on their transcript. Students who drop a class after the term begins will display a "W" grade for that class on their transcript. A student may drop a class through three-fourths of the length of the class. Students who fail to drop by the deadline must remain enrolled in scheduled classes. **Failure to participate in class once registered does not cancel registration or tuition and fees. Failure to drop a class will potentially result in a failing grade being recorded on the student's transcript.**

REFUND OF TUITION AND FEES

Students who cancel their registration in writing or withdraw from or drop courses before the first day of Winterim will be refunded all tuition and fees paid, including first-time enrollment, college service, program, and course fees. Students who withdraw from or drop courses the first day of Winterim will be refunded all tuition and fees except the first-time enrollment fee. Students who withdraw from or drop courses the second day of Winterim will be refunded fifty percent of tuition as well as fifty percent of program and course fees; neither college service fees nor the first-time enrollment fee will be refunded. Students who withdraw from or drop courses after the second day of Winterim will not be refunded any tuition or fees.

PAYMENT ARRANGEMENTS

Payment arrangements that cover the entire balance of a student's account must be made each semester by the payment deadline. **The Winterim payment deadline is January 22, 2024.** Payment arrangements can be made by setting up an automatic payment plan online. In addition, payment in full can be made through one of the following options: over the phone with a credit card or debit card at **712-325-3225**, through the mail with a check, or by going to the Cashier's window and paying with cash, check, debit card, or credit card. The College reserves the right to administratively withdraw students who fail to make payment arrangements by the payment deadline.

ONLINE AUTOMATIC PAYMENT PLAN

Iowa Western offers an Online Automatic Payment Plan to help students finance their education. To enroll in the payment plan, go to www.iwcc.edu and click on the Admissions link and then Paying for College and then Payment Plan. It is available under the following terms and conditions: the student must enroll in the plan online and pay a \$25 fee; and the student must make all payment installments as scheduled. Specific dates for payment are posted online and are available at the Cashier's Window.

Winterim credits will count toward Spring total enrollment *for financial aid purposes only*. Spring semester financial aid will encompass the first day of the Winterim term to the last day of the Spring semester. Any aid used for Winterim will come from the Spring financial aid award. Financial aid will not be disbursed until normal disbursement dates in the Spring.

Visiting students are not eligible for financial aid.
